Response Summary

Total Started Survey: 23
Total Completed Survey: 23 (100%)

PAGE: THANKS FOR TAKING OUR SURVEY!

1. It's easy to use [usability]

[Create Chart](#) [Download](#)

	Response Percent	Response Count
Not important	0.0%	0
Maybe important <input type="text"/>	21.7%	5
Important <input type="text"/>	78.3%	18
answered question		23
skipped question		0

2. I can see the whole conversation (even if it's on multiple social networks) [integration]

[Create Chart](#) [Download](#)

	Response Percent	Response Count
Not important <input type="checkbox"/>	4.3%	1
Maybe important <input type="text"/>	52.2%	12
Important <input type="text"/>	43.5%	10
answered question		23
skipped question		0

3. I can quote or reference earlier parts of the discussion [referential context]

[Create Chart](#) [Download](#)

	Response Percent	Response Count
Not important <input type="checkbox"/>	8.7%	2
Maybe important <input type="text"/>	26.1%	6
Important <input type="text"/>	65.2%	15
answered question		23
skipped question		0

4. I can indicate the topic I'm discussing [topical context]

[Create Chart](#) [Download](#)

	Response Percent	Response Count
Not important <input type="text"/>	13.0%	3
Maybe important <input type="text"/>	43.5%	10
Important <input type="text"/>	43.5%	10
answered question		23
skipped question		0

5. There's enough space to write my own message [appropriate length]

[Create Chart](#)

[Download](#)

	Response Percent	Response Count
Not important	0.0%	0
Maybe important <input type="text" value="7"/>	30.4%	7
Important <input type="text" value="16"/>	69.6%	16
answered question		23
skipped question		0

6. I can add or view comments on the document, at the part or section where they apply [view context]

[Create Chart](#)

[Download](#)

	Response Percent	Response Count
Not important <input type="text" value="3"/>	13.0%	3
Maybe important <input type="text" value="13"/>	56.5%	13
Important <input type="text" value="7"/>	30.4%	7
answered question		23
skipped question		0

7. I can tell who wrote earlier messages [author context]

[Create Chart](#)

[Download](#)

	Response Percent	Response Count
Not important <input type="text" value="2"/>	8.7%	2
Maybe important <input type="text" value="5"/>	21.7%	5
Important <input type="text" value="16"/>	69.6%	16
answered question		23
skipped question		0

8. I know whether a comment is up-to-date (not superseded) [currency/temporal context]

[Create Chart](#)

[Download](#)

	Response Percent	Response Count
Not important <input type="text" value="1"/>	4.5%	1
Maybe important <input type="text" value="8"/>	36.4%	8
Important <input type="text" value="13"/>	59.1%	13
answered question		22
skipped question		1

9. There are extra features useful in my domain/area of interest [modularity/topical integration]

[Create Chart](#)

[Download](#)

	Response Percent	Response Count
Not important <input type="text" value="5"/>	21.7%	5
Maybe important <input type="text" value="17"/>	73.9%	17
Important <input type="text" value="1"/>	4.3%	1
answered question		23
skipped question		0

10. It's easy to see the messages I care about [visualization/sorting]

[Create Chart](#) [Download](#)

	Response Percent	Response Count
